

No.	Topic	Description	Possible Guest	Notes
1	WPG Allocation	Possible projects to be funded through WPG allocation. Jaime suggested we consider a large, bold project.		
2	New Computer Lab	What's working and what might be improved in how the new computer lab is used at each grade level.		
3	Curriculum	Discussion of HCSD curriculum issues as they apply to West.	Modell Marlow Andersen, Dir. of Ed Services	
4	Everyday Math and Additional Math Curricula	It's been observed that most (all?) West teachers supplement the official math curriculum. Why? Does the amount of supplementation increase with grade, in anticipation of Crocker requirements?	Modell Marlow Andersen, Dir. of Ed Services	
5	Speedy Math	Discussion of the practice of Speedy Math.	Don Geddis, West parent with extensive knowledge and interest in Speedy Math	
6	Speedy Math Communication	It's been observed that many parents are surprised when their first child encounters Speedy Math in first grade, despite What-To-Expect-Night and related communication. What else might be done?	Sherri Gavin, Larisa Goltzer, the other 1st grade teachers.	
7	Report Cards/Grades	A new report card format was implemented last year. Discussion of its effectiveness. What value and/or purpose do grades serve at the primary school level?	Anthony Ranii, Superintendent.	
8	GATE, High-end Differentiation	Currently there is no separate GATE program in the district and GATE is managed through individual student differentiation. Discussion of effectiveness and possible alternatives.	Don Geddis, West GATE rep.	
9	Lunch, Diet, Nutrition Education	Short lunch time for children is associated with obesity and poor lifetime dietary habits. What might be done? More generally, good nutrition is critically important to academic performance in children and the development of good lifetime health habits.		
10	Computer-based Education	Discussion of current issues and possible trends in the use of technology in education at West.	Margi Power, HCSD Boardmember. She is strongly interested in the future of education and the use of technology.	
11	Playground Bullying	What is the current perception of the problem? Changes to playground supervision were implemented this year. Have they impacted perceived problems?	Sherry Lynes, West Counselor	

12	TBD	Mary Ellen Benninger expressed interest in attending a meeting. Find a topic of mutual interest.	Mary Ellen Benninger, HCSD Boardmember
